

Greetings to all of our RO Families!

It is fantastic to see all the students enjoying the newest addition to our playground!! It was a challenge to build, along with so many fundraisers so it could be ordered, but it is finally here and the students enjoy it every day! Thank-you to all those families past and present who helped out in some way for us to install this great new piece of equipment.

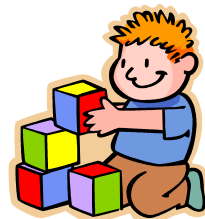

We are in the early stages of organizing this year's RO Christmas craft sale and home based business bazaar. Last year was a great success and we already have people wanting to book tables for this year!!

This year's Bazaar date is set for Saturday, November 30th from 9-3. We open up the table rentals to our RO Families first, so if you are looking to rent a table this year, please send an e-mail to robertogilviepac@gmail.com or call the school at 785-3704 and leave a message for the PAC and someone will get back to you. ****Please note, this is a first come, first serve basis**** and we need to know at the time of your table booking what you plan to be selling. We will be opening up table rentals to the public on Oct 30th, so if you would like to reserve yours, please do so right away. Table rental rates this year will be 1 table for \$30, 2 tables for \$45, or 3 for \$60. Payment must be submitted to the RO PAC by November 16th. In addition to table rent, a door prize or home-baked goods will also be required.

We are in need of parent volunteers to help out with this busy event. Some of the areas where we will need assistance is:

- set up on Fri, Nov 29th. (afternoon)
- helping in the canteen
- helping out with our raffle draw (scheduled time slots)
- helping out with our door prizes (scheduled time slots)
- donations of home-baked goods for bake sale (please include ingredient list)
- take down after 3pm on Sat, Nov 30th.

All proceeds raised from this event will be going towards various school projects within Robert Ogilvie such as our playground project, environmental club, sports clubs, and updating of school materials. Any assistance to this event is greatly appreciated. Thank-you so much for your support and we look forward to working with you on a great fundraiser for the students of RO!
